Outlook:

Damon is a small forward with great talent that thanks to his quickness, reactivity and strength, can play guard or power forward. He is a very exciting player, that can do everything on the court: slam dunks, 3-pointers, defence and rebounds. He often causes a miss-match with his defender: so he beat small defenders in the low post and big defenders with the dribble.

But what made Damon Williams a special player is that he is a winner and a go-to-guy in the crucial moments of a game.
